We Work Closely with Our Clients

About Us

The mission of Georgetown Oilfield Partners is to offer our clients the best value in service for procurement, logistics, staffing, technical advisory, project management and share based services.

Headquartered in Houston, Texas, Georgetown Oilfield Partners (GOP) established as an international Procurement, Logistic, and Technical services company with plans to office in Guyana, South America, Suriname, Trinidad and other emerging Caribbean oil and gas countries.

Our Core Vision

We connect our clients to industry experts. Our core vision is to develop long term relationships with our clients, suppliers and vendors to create professional working relationships.

We cater to clients across multiple industries including:

- ➔ Oil & Gas
- ➔ Petrochemical
- ➔ Construction
- ➔ Engineering

What We Do Best

Procurement, Supply Chain & Logistics

Premier partnerships in Manufacturing, Oil & Gas and Parts & Equipment to provide superior supply chain management

Staffing, Recruitment & Manpower

Strategic manpower sourcing with established recruiting and qualifying processes.

Parts, Equipment & Supplies

An array of products and services to meet your industry needs.
